HOME SERIES

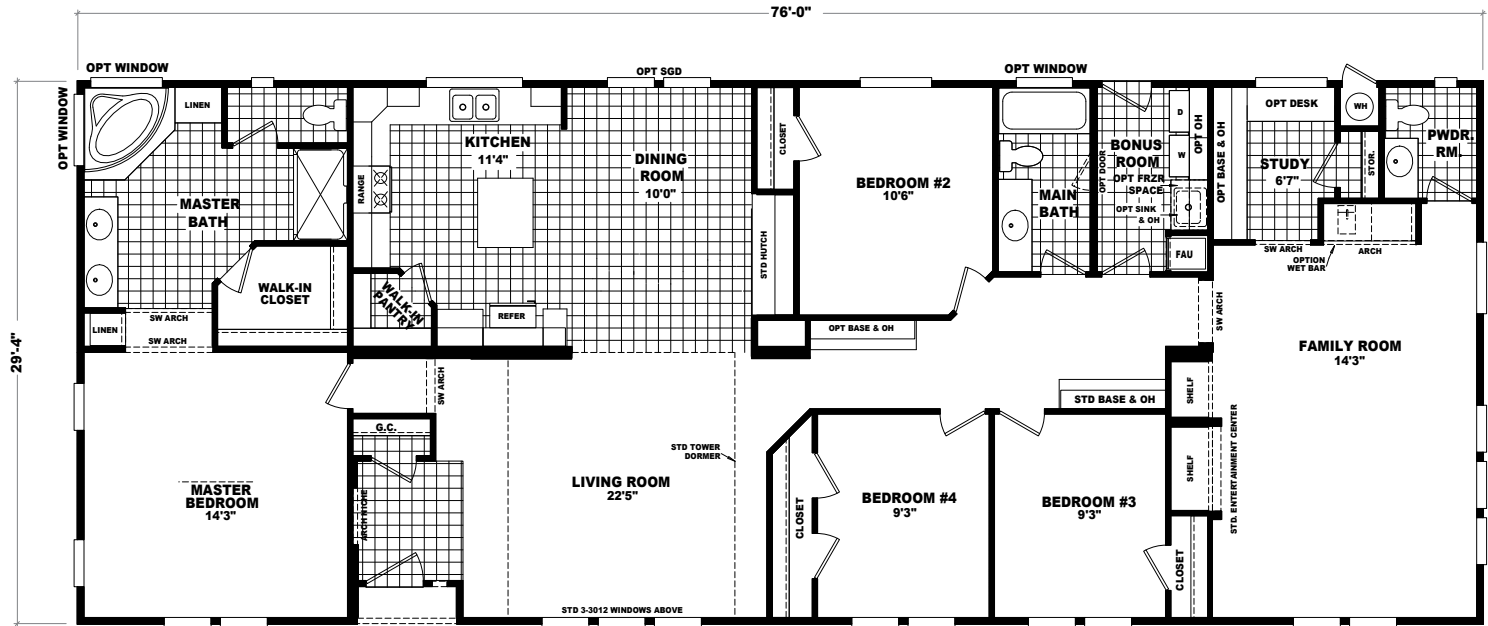

Cavco Litchfield introduces our most exquisite new lineup of homes.

This series is highly equipped with many standard features that would be optional in other homes. Ten unique floor plans are available and range from 1500 to almost 3000 sq. ft.!

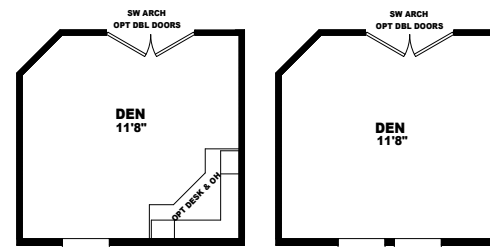

Some of the Standard Features include 39" overhead cabinets, ceramic tile and edge in kitchen and baths, upgraded metal faucets and a tower dormer in living room, baseboard molding, upgraded interior paint, 2x6 exterior walls with upgraded insulation and R-40 roof insulation w/ arch shingles. Plus, a lot more! This is one of the highest end series Cavco has to offer!
